

Post the Poster Contest

CLA Stewardship Committee Project
Kip Landwehr

August 18, 2009

Post the Poster Contest

- Objective is to call attention to new requirements for returnable, refillable containers (mini-bulks)
- New rules become effective in August 2011
- Colorful poster emphasizes container inspection
- Retrofit or recycle minibulks before 2011

Post the Poster Contest

- Dealers/refillers invited to display poster near refilling station
- Most creative/unusual display would win
